

IB SCHOOL SITE COUNCILS

IB

Site Councils

A site council shall be established in each building in the district.

Each council shall be responsible for providing advice and counsel for evaluating state, school district, and school site performance goals and objectives and in recommending methods which may be employed at the school site to meet these goals and objectives.

The membership of each council shall include, at a minimum, the building principal, and representatives of: Teacher(s) and other school personnel, parent(s) of pupil(s) attending the school, the business community, and community leaders. The Student Council president may be included in the Beloit Jr.-Sr. High School Site Council.

APPROVED: December 14, 1992

IB-R SCHOOL SITE COUNCILS

IB-R

The principal in each building shall submit, to the board, the names of individuals elected to the council.

The board shall endorse the site council membership.

Each council shall study the school's internal and external environment, including, but not limited to:

Student learning outcomes using state and local testing information;

Student learning outcomes using the QPA document;

Effective instructional practices used in the schools;

School climate and student attitudes toward school;

Parent and community involvement in schools;

Staff development programs and their relationship to student learning.

Each council may help develop and evaluate school improvement plans which contain the following components:

Improvement plan outcomes based on school profile data;

Identify progress towards outcomes in the School Improvement Plan;

Methods to report progress to the board, the public and the State Board as required;

A monitoring system which meets State Board requirements for an audit.

Each site council shall have a minimum of three meetings per year.

Each council shall report to the board at least one time per year. The superintendent shall submit reports which evaluate the effectiveness of each school site council to the State Board of Education as required. Reports shall be reviewed by the district board before submission to the state.

The length of service shall be a two year term.

Training will be provided for those who serve on the council.
