JBE-R TRUANCY

JBE-R

The superintendent shall recommend to the Board those persons responsible for reporting truancies.

The superintendent shall include in his/her annual report any information relative to truancy which he/she feels should be called to the attention of the board and the community. The superintendent shall attempt to enlist the support and cooperation of the local judicial district in dealing with school problems created by truancy.

The superintendent is authorized to report truancies to the administrative judge of the local judicial district for referral.

A significant part of a school day is defined in JBD-R.
