The USD #273 Board of Education has endorsed the incorporation of an endowment association to benefit the school district.

The Endowment Association has as its goals:

- to encourage funding that will support quality education beyond high school.
- to create and maintain a permanent investment fund for the purpose of generating annual income;
- to foster communication, participation and support for the district's educational program through increased public awareness; and
- to administer scholarship programs.

The incorporators appointed an independent Board of Directors in June of 1996. The Directors hold office for staggered three-year terms. Ex-officio members include the USD Board of Education President and the Superintendent of Schools. The directors adopted by-laws, established a committee structure, and were granted tax exempt status. Fund-raising activities are ongoing.

In June of 2023 the Association held investments totaling \$1,104,487 and managed \$997,010 in scholarships for the Harbaugh Trust. Scholarships totaling \$95,500.00 were awarded in May, 2023

We urge you to donate to the Unified School District #273 Endowment Association, Inc.

Please mail your tax-deductible gift to the USD 273 Endowment Association at 3075 US 24 HWY., P.O. Box 547, Beloit, KS 67420.
