6. Explain in one paragraph why you feel you would be a good recipient of the Mike Gray Scholarship. (only if applying for the **Mike Gray Scholarship**)
7. Explain in one to two paragraphs why you should receive the Jim and Nadyne Copp Family Scholarship. (only if applying for the **Jim and Nadyne Copp Family Scholarship**)
8. Explain in writing (no more than 500 words) when you faced a challenge and overcame it. How did you persevere against the odds to accomplish your goals? (only if applying for the **Spirit of Sylvia Ludwig Scholarship**)

The Spirit of Sylvia Ludwig Scholarship was established in 2022 in honor of a long-time Beloit Jr. High physical education teacher and volleyball coach. Sylvia loved ultimate frisbee, air drumming to the band “Journey”, the game of volleyball, but most importantly, advocating for those who face and overcome adversity. As an education graduate of Kansas State University, Sylvia spent a lifetime teaching and supporting all young people. However, she had a soft spot in her heart for those who struggled with-and battled-through challenges. This scholarship was created to reward and recognize such a student, someone who embodies this “spirit” of Sylvia Ludwig.
9. Explain in writing (no more than 250 words) why science is important to you, your major, and your science career interest. (only if applying for the **Carle Kuhn Outstanding Science Student Scholarship**)

The Carle Kuhn outstanding Science Student Scholarship was established in 2022 by the family of Carle Kuhn. Mr. Kuhn taught for Beloit Jr. Sr. High for 28 years, teaching science at both the junior and senior high level. His love for science paired nicely with his life passions including track and field, aeronautics, and small airplane mechanics. The intent of this scholarship award is to recognize students who have demonstrated outstanding achievement in their scientific endeavors while at Beloit High School. The recipient of this scholarship has demonstrated excellence in the classroom as well as a passion for inquiry into matters of science.
