

Ag Mechanic

Summer

Apprenticeship

Are you at least 16 years of age?

Do you live within 40 miles of Beloit?

Do you have a valid driver's license?

Are you interested in agricultural machine repair & maintenance?

We provide training & experience in a successful trade environment.

You arrive with a coachable readiness and a good work ethic.

We pay you a decent wage and give you valuable trade experience in demand!

Your positive attributes should include:

Professionalism, physical strength, being on time, ready to work, drug-free, dressed for safety, able to speak up, & listen well!

Of course, willingness to improve is suggested for success.
