

Farm Equipment Mechanic & Technician Registered APPRENTICESHIP PROGRAM

Run With The Best

Become a Certified
John Deere Technician

To learn more, contact HR@cijd.com or visit
CarricoImplement.com/careers.

Carrico Implement Company, Inc. is proud to partner with Fort Hays Tech | North Central and the State of Kansas to offer the Farm Equipment Mechanic and Technician Registered Apprenticeship Program! The two-year program combines paid on-the-job training (OJT) and related technical instruction (RTI) to prepare the apprentice with the skills, knowledge, and experience needed to succeed in the role of a John Deere Service Technician at Carrico Implement. The Apprenticeship is a competency-based program focusing on the ability to diagnose, adjust, repair, and overhaul farm machinery. Apprentice must enroll and take the Agricultural Equipment Technology program with Fort Hays Tech | North Central.

FORT HAYS TECH

**NORTH
CENTRAL**
